

Is your driver's license suspended?

Get FREE help to clear unpaid tickets.

Under North Carolina law, you can ask a judge to erase your unpaid traffic fines and fees because you can't afford them. At this clinic, participants will meet with legal professionals who will help draft the paperwork needed to ask the judge. Participants will be given instructions on how to file the paperwork and what steps come next. Participants will NOT be represented by an attorney when filing the paperwork. This clinic is FREE to all participants.
